

High School....Where and when do I register?

To get ready for High School, families will be able to attend Open Houses of the different high schools as early as November and usually until February.

If your student is going to his/her reference High School, you won't need to apply on your own. Your student will just register and this will happen at Madison.

If you want to apply to another school other than your reference school (public or private), you will need to determine the application process for the school you are interested in. Letters of Recommendation may be required so apply at the earliest possible time.

Late Spring, the registration process for High Schools will take place at Madison. Families by then will have received a form with the available options from the High School where the student has been assigned for the following school year. Working together with your students will help them choose the right classes.

Please refer to the websites of the different high schools for more information.

If you have additional questions regarding your student, please contact the school counselors.
